Prvih pet godina...

...su bile pune nasmijanih lica, gostovanih vrhunski i dobrih raspoloženja.

Uzeli smo da budemo ona čarobna tačka gradskih događanja koju ljudi otkriju prilikom posjeta grada. Jedinstveni, mjesto koje koriste kako zahtjevnih strastvenih, odabranih uslovi i atmosfera, acid jazz-funk-disco-soul-fusion zvuci, opušteni raspoloženja.

Na našim granicama djeluju najblijži senzi diskovanih rokera DJ klubova, kao i gostujući zvjezde. Na vještici uvijek dobri bendovi i čaše se prepunim i prikladnim vinom.

MI smo PUB u kojemu se piju odabrana premium piva i kokteli.

CLUB u kojemu se traži mjesto vije i vikendom je potrebna rezervacija.

RESTORAN u kojemu kreativna fuzija kuhinja zajednički je buke vrhunskih vinu u skladu s okolišem.

Prvi nekrologi publike, prvi godišnjaci, pokazali su da naš koncept ima jako mnogo na rukama te barom robu. HUB je mjesto stvarata i čvrstih spajanja ljudi i energija, kao što smo i sami ova naša i znači, kako naša tako i naših gostiju i turista.

U životu gradski okruženje još bolje zabavu, još više dobre muzike i memorija koja će vam biti.

The first five years...

...have been full of smiling faces, positive vibes and a great mood.

We managed to be that colorful spot of city events that every big city on this planet has. A unique place characterized by a sophisticated atmosphere, selected tastes and arrivals, acid jazz-funk-disco-soul-fusion sounds, relaxed conversations.

Frien and second players came the best, some of greatest DJ musicians from His, as well as guest stars. Great bands play on the stage and distinctive weekend live acts are heard.

We are a PUB where selected premium beers and cocktails are served.

A CLUB where all reservations are booked in advance and there's always a need for an extra table.

A RESTAURANT where creative fusion cuisine is rounded off by the sounds of premium wines into a harmonious whole.

The first public, our first five years, showed that we completely hit the place under the urban sky of His. The HUB is a meeting place for connecting people and energies, in the name itself says, and means, both for people from His and for their guests and tourists.

In the next year, we promise even better fun, even more good music and memories you will remember.

Have truly,
The Hub Team ->

DOLCEZZA

Čajevi - Dolcezza

U drevnoj Kini je postojala izreka: "Bolje tri dana bez hrane nego jedan dan bez čaja". Predstavljamo Vam četiri kategorije ovog nenadmašivog napitka:

Crni čaj: čaj za prave ljubitelje čaja. Veoma jakog ukusa i mirisa i često se pije sa mlekom.

Zeleni čaj: Najzdraviji od svih čajeva. Snižava holesterol, poboljšava cirkulaciju, pomaže u prevenciji mnogih ozbiljnih bolesti.

Crveni čaj - Rooibos (Afrički grm): Izuzetno zdrav čaj prijatnog ukusa bez kofeina, dobar za decu i za kasno popodnevno i večer. Veoma je bogat vitaminom C i mineralima.

Naš grad je...

Glavna raskrsnica puteva i carinik Balkana kažu geografski tako i je značaja koji ima, jer povezuje zapadnu Evropu sa istom i istokom istokom. Naš nazivaji kagigim istoka i predvorjem zapada. Treći je grad po veličini u Srbiji, sa svojih 320.000 stanovnika i region od dva miliona koji gravitira ka njemu. Svojim ekonomskim potencijalom privlači veliki broj stranih i domaćih greenfield investicija i značajan je centar biznisa.

U nesavršenosti rimskom Naisusom rođen je imperator Konstantin, jedan rimski car koji je proglašen za sveca jer je svojim ukazom u 313. poznatim pod nazivom Milanski edikt, "legalizovao" hrišćanstvo. Muzika i ostale njegove palate Medana danas pomeću turisti iz celog sveta. Turisti koji u Nišu dođu i zbog iskustva noćne, stare festival, muzičkih festivala, svih događaja, zimskog letnjeg festivala gostoprimstva i domaćina sravnih srca.

Nišev, muški festival, Ceca kula, Čegar, Filmaki suveni, Symphonic Orchestra, samo su neke od manifestacije i takva koje obilježavaju grad i privlače ljude.

Ovde se stiču iu letom od 13 fakulteta i1000 univerziteta. Osim se su zadržali "Konstantin Veliki" iu u: Beč, Milano, Bratislava, Zürich, Berlin, Stockholm, Düsseldorf, itd. U Nišu se letopisnje, zvezdi, dobro jede.

Ovakav grad pružajuje svoj The Hub, kao što The Hub pružajuje se se nastaj u ovakom gradu.

Our city is...

The main intersection of the roads and the center of the Balkans both geographically and in the importance that it has, because it connects Western Europe to the south and the Middle East. Niš is called the gate at the east and the entrance hall to the west. The third largest city in Serbia, with its 320,000 inhabitants and a region of two million people gravitating towards it. With its economic potential, it attracts a large number of foreign and domestic greenfield investments and is a significant center of business.

in the former Roman Naisus the Emperor Constantine was born, the only Roman emperor who was proclaimed a saint because, by his decree in 313, known as the edict of Milan, he "legalized" Christianity. Music and remains of his Medana palace are now visited by tourists from around the world. Tourists who come to Niš also because of delicious food, the old fortress, music festival, beautiful girls, famous Southern hospitality and an open heart hosts.

Niševille, Skull Tower, Čegar, Filmaki suveni, Symphonic Orchestra are just a few manifestations and places that mark the city and attract people.

Here young people are studying at one of the faculties of the University of Niš. From here, people fly to Vienna, Milan, Bratislava, Zurich, Berlin, Stockholm, Düsseldorf, etc. from the airport "Constantine the Great". People are shopping, having good time and eating well in Niš.

This city deserves The Hub, so The Hub deserves to be in each a city.

Nasza ulica...

That's why a group of local kids in the first decade of the twentieth century. Public space restaurant was created, and it was the first of its kind in the world. The first decade of the twentieth century was the first of its kind in the world. The first decade of the twentieth century was the first of its kind in the world.

Drinks, food and more... The first decade of the twentieth century was the first of its kind in the world. The first decade of the twentieth century was the first of its kind in the world.

Traces of the past have strengthened our intention to participate in the history of the club and to add another chapter to it. The street where we are located, General Trane number 1, in 1970s became the central place of the new rebellious movement that featured rock n' roll, flower children, a hippie movement that seized young people across the globe. The hundred meters or so of the city asphalt were the promenade that city slickers and pretty babes were walking and hanging out every evening, standing beside the borders of old buildings and around the walls of trees, the records of Led Zeppelin, Doors, Jimi Hendrix, Deep Purple were exchanged... Here grew up and fell in love generations of all those who were considered city children and urban guerrillas and did not want to walk the course in the two main streets that were reserved for ordinary people. Good bottoms and painted shoes were worn, long hair and denim jeans, everybody was in the "Peace and love line", indeed, you can hear even today that someone says, "It's in the Hippie Valley" which is permanently marked with a plaque on the facade of the beginning of the street. Written for the future.

Our street...

An upper class house in Nis, which was built in the first decade of the twentieth century. With a careful restoration, we returned it to its soul and its spirit will share with the rhythm of people, high-quality musical vibrations, clinking of glasses, and the sound of mixing cocktails.

The building is getting more important when you hear the interesting story about the street in which it is located.

The traces of the past have strengthened our intention to participate in the history of the club and to add another chapter to it. I kao da ti nije dovoljno, u noćni ulici u hotelu Nis je davno 1972. otvoren prvi bilbar diskoteka, zvanu "Disc 13". Na samo dvadesetak metara od nekadašnje restorane se tada našlo je mjesto za vjerno sjedište, gdje bi slušala dobra muzika sa ploče i u vjerno se ritali prvi naše DJ-ovi, kulni klub koji je i danas u legendi.

Dokle, naš pabbar je posao, tradicija se mora nastaviti. Jednoga dana za starija generacija pitali o tome kako je u Hipsi došlo, odmah preko guta nekadašnje diskoteko Tranzistika, decembra 2018. otvoren i fusbari niko.Club & Pub, kulni The Hub :-)

And as it that was not enough, in our street in the "Nis hotel", in the year of 1972, the first discotheque in Nis, the famous "Disc 13" was opened. Only twenty meters from our entrance there was then the best place for the evening going out, where good music from the vinyls was played, where the first Nis DJs worked, a cult club that went into the legend.

So, our task is clear, the tradition must continue. One day the following generations will write about how in the Hipsy valley, just across the former Disc 13, in November 2018, a famous Club & Pub was opened, the cult The Hub :-)

Naš koncept...

Club koji će trajati, koji će biti sponom kaka u imenima svih koji netko znače u našem gradu da bi razgovarali svoje stajanje, tako i u turističkim itinerarima kao tačka koju ne smete zaboraviti kada posetite NL.

Jedinstvena misao koje će karakterizirati sofisticirana atmosfera, odabrani likovi i stilovi, jazz-funk-soul-bongo-chill zvuci, lagane razgovori i prijateljska lica.

Se želi predstaviti in izdanci najbiji DJ setovi. Na želim stajati da koristi sličnosti borbom. Čiji gostima će raspoloženo podizati stand up komičari na redovnom mesečnom sastanku. Pub u kome će se igrati samo odabrane premijer pjes. Club u kome će se družiti opušteno uz kockice. Restoran gde će kreativna fuzija kuhinja predstavljati buke vrhunskih vina u skladnoj celini.

„Centrala“ i jedinstvena tačka graničnih urbanih vibracija kako i dolikuje mestu uzid tvoj staza, sveti natpis „The Hub“ odnosno mesto spajanja i razmjena kako mu samo ime kaže i znači, gde će se dolazni po svaku doni drugog provesti i odlazni nasmejani izneti pozitivna energija.

Our concept...

A club that will last, which will be noted in address books of everyone who is important in our city to reserve their tables, as well as in tourist itineraries as a point you cannot miss when you visit NL.

A unique place characterized by sophisticated atmosphere, selected tastes and accents, jazz-funk-soul-bongo-chill sounds, light conversations and smiling faces.

From whose record players the best DJ sets come. On whose stage top bands play. Whose guests enjoy stand-up comedians on regular monthly sessions. A pub where only selected premium beers are drunk. A club where you can relaxingly dance with cocktails. A restaurant whose creative fusion cuisine turns the bouquet of fine wines into a harmonious whole.

„The knot“ and the destination point of urban city vibrations, as it is appropriate for the place above whose entrance „The Hub“ lights up, that is, the place of joining and meeting according to its name, where everyone will come for their dose of good fun and leave smiling and full of positive energy.
